ASSUMPTION AND ACKNOWLEDGEMENT OF RISK

The following describes some, BUT NOT ALL, of these risks: Rockfall; Icefall; Avalanches; Electrical storms; Mountain storms; Snow; Ice; Rain; Hail; Sleet; Lightning; Falling; Objects falling from above; Unstable or loose rock, snow, ice, talus, moraine, scree, boulders, and/or other terrain; Slippery terrain; Falling and injury while skiing or snowshoeing; Extreme cold and hot temperatures; Water crossings by foot or boat; Wildlife encounters; Dehydration; High altitude and altitude sickness; Wind; Failure of mountaineering equipment despite reasonable care and use; Injury from mountaineering equipment despite reasonable care and use; Careless or reckless behavior on the part of other members of the group despite reasonable supervision; Guide error; Careless or reckless behavior on the part of third parties; Limited possibility of assistance/rescue; and Limited ability/inability to communicate with rescue personnel. I am aware that this activity entails risks of injury or death to any participant. I understand the description of these inherent risks is not complete and that the other unknown or unanticipated risks may result in injury or death. I agree to assume and accept full responsibility for the inherent risks identified herein and those inherent risks not specifically identified. My participation in this activity is purely voluntary, no one is forcing me to participate, and I elect to participate in spite of and with full knowledge of the inherent risks. I acknowledge that engaging in this activity may require a degree of skill and knowledge different from other activities. I acknowledge that I have responsibilities as a participant. I acknowledge that the staff of BMG has been available to explain more fully to me the nature and physical demands of this activity and inherent risks, hazards, and dangers associated with this activity. I certify that I am fully capable of participating in this activity. I acknowledge, agree and represent that I understand the nature of Climbing Activities for which I may not be skilled, I am in good health, and I am in proper physical condition to participate in such activities. I understand that such risks cannot be eliminated without jeopardizing the essential qualities of the activity. These inherent risks include, but are not limited to, all manner of injury resulting from participation during Climbing Activities, as well as any possible exposure to infectious diseases. **I ACKNOWLEDGE THAT CLIMBING ACTIVITIES ENTAIL BOTH KNOWN AND UNANTICIPATED RISKS, SEEN AND UNSEEN, WHICH COULD RESULT IN PHYSICAL OR EMOTIONAL INJURY, PARALYSIS, DEATH, OR DAMAGE TO PROPERTY, OR TO THIRD PARTIES.**

I AGREE TO ASSUME ALL RISK AND BEAR FULL RESPONSIBILITY FOR ANY INJURY, ILLNESS, OR DAMAGE I MAY SUFFER WHILE PARTICIPATING IN CLIMBING ACTIVITIES, INCLUDING BUT NOT LIMITED TO ANY NEGLIGENCE ON THE PART OF BMG. I have no physical or mental limitations which would preclude my safe use of the climbing walls, climbing equipment, or exercise equipment, or being in the landing zones, and/or I assume all risks that may be created by such limitations. I further certify that I am not currently mentally impaired or under the influence of drugs or alcohol and am otherwise legally competent to understand and sign this document. I, the undersigned, recognize the dangers inherent with Climbing Activities. I am assuming the hazard of this risk upon myself since I wish to climb. I realize I am subject to injury from this activity and that risks and dangers may arise from foreseeable or unforeseeable causes to which I am exposing myself or my minor child. The risks outlined in this document are not exhaustive and I acknowledge that there may be other risks, hazards, and dangers that, based on the circumstances, are integral to Climbing Activities.
